  - ✓ Supply of consumables, Ribbons, Floppies, CDROMs etc.

- **Besides School Computer Education**

We are in Hardware Maintenance and Network Solutions in various Public and Private Sector Organisations.

THE ACES ADVANTAGE

VANTAGE 1

ACES is a complete Computer System. Its expertise ranges from implementing computer education in schools and colleges , training personnel in its professional computer training centers , developing software , undertaking data processing assignments and rendering hardware maintenance services.

VANTAGE 2

Its Director Mr. S. Addy , a thorough Computer professional has been closely associated in developing syllabi for various board examinations . He has authored a number of books on Computer Science published by renowned houses , which have been recommended as Text books at the school / board level .

VANTAGE 3

ACES is especially geared in developing computer awareness , evolving a scheme of Computer Aided Instruction at the school level . Since 1985 . ACES has been involved in teaching Computer Science right from the primary classes upto the class 10 / class 12 levels either as an academic course or as a S.U.P.W. Programme / cocurricular activity in various board levels viz. ICSE/CBSE/STATE BOARDS . The performance of our students appearing in the Board level examinations have been excellent over the years.

VANTAGE 4

ACES has so far imparted training to several thousand students at various levels of education at various schools and colleges of India . Besides training, ACES has also undertaken various software assignments comprising educational, administrative and commercial packages . ACES has a sound management system in a perfect hierarchical order to successfully undertake the responsibility of School Consultancy (refer THE ACES SUCCESS TREE).

VANTAGE 5

A well equipped hardware unit is maintained having sufficient service personnel to provide prompt solution to every type of computer hardware error, emanating from constant usage of computers by students. In case of long term repairing needs substitute computers are supplied to avoid loss of " hands -on " time.

VANTAGE 6

ACES assures steady transformation of the manual system of office accounts and school administrative work into a precise computerised automation. This includes preparation of computerized financial accounting , payroll , inventory control, admission register, substitution time - table, circulars, notices without any extra financial obligation of the school .

COMPUTER EDUCATION & TRAINING

Your guide to career planning & development

August 16-31, 1997 (Free with Express Computer & Financial Express)

To school with Aces Infotech

Jayatri Nag
Calcutta

"I don't believe computer is an object of seventh heaven brought down to earth. Computer is for all and children must play with computers and learn in the process," says Mrs Anita Addy, executive director, Aces Infotech Private Limited. Headquartered in Calcutta at Dover Lane, Aces offers two categories of training: school computer education and professional and hardware maintenance training.

Set up in 1990, Aces Infotech has taken a load in school computer education. Nearly 250 schools all over eastern India including schools under the Steel Authority of India in Bokaro, Rourkela, Bhilai, have collaborated with Aces.

Aces coaches students from class III to XII. Mr Subhasish Addy, managing director, is the author of several computer books on logo, basic and computer concepts.

The Dover Lane centre offers exhaustive courses providing the students with packages on general knowledge, grammar, mathematics, chemistry and physics. They, like a few of their contemporaries, follow the concept of edutainment, education + entertainment. To shed the fear of teachers from the little minds, computers are the best alternative.

Learning can be fun with computers for all age groups. They have no definite course duration. A student pays Rs 300 per month but can discontinue during the school exams. The faculty teaches every student according to the school syllabus.

Aces provides both professional training and short-term courses. In a tie-up with the YMCA centres in Chowringhee and College Street, Aces offers Diploma courses to the students of YMCA at a rate cheaper than the so-called 'renowned' institutes. This is simply because, "Aces wants to introduce computers to the masses," says the executive director.

The Diploma in Computer Applications includes computer concepts, Lotus, Windows, Wordstar, DOS, MS-Word with the course fees varying between Rs 6,000 and Rs 9,000. A post graduate diploma course of 18 months in computer application offers courses on C language and financial accounting while the masters course comprises, among others, MS-Office, C++, DTP and Visual Basic. The course fees for the two are Rs 12,000 and Rs 17,000 respectively. Classes are held thrice a week with one theory and two practical classes.

Though the Dover Lane centre has just one faculty member, Mr Debasish Mukherjee, it provides teachers to several educational institutions that it has tied up with. Taking them into account, the total number of members of faculty is 85.

Aces also offers three-month and five-month courses on DTP and advanced DTP at Rs 3,500 and Rs 5,000 respectively and several short term courses of eight weeks to 16 weeks duration on multifaceted packages like MS-Office, DOS, Wordstar, Windows and others.

There are certificate courses costing Rs 1,500 to Rs 3,000. There are two other short term courses of three months and six months duration at Rs 2,500 and Rs 4,500 respectively on computer orientation and computer application.

Aces Infotech also offers an O level computer course accredited by the Department of Electronics Accredited Computer Centres. The courses are modular in nature and cover a wide area ranging from languages to problem solving.

Aces is introducing a comprehensive hardware maintenance division at 71, B Alipore Road, which is at present the marketing wing of the institution.

The one year course is likely to cover an important area of hardware and will cost Rs 6,000. It has now joined hands with Trade Wings says Anita Addy. "All students undergoing the professional course of Travel and Tourism management in Trade Wings are doing computers at Aces."

But Aces Infotech's unique proposition is school computer education. "That is where our satisfaction lies — preparing the children for the future,"

ACES Infotech pioneers school computer education

Aces Infotech has established itself as a leading Computer consultancy house in India, with 'School Computer Education' as its flagship project over the last decade. Aces' has also been dealing with customized software assignments and hardware maintenance jobs for the Government and Commercial Houses. It houses a team of thorough professionals, specialists in the field of Computer Science, Electronics and Modern Management, who are responsible for maintaining "Total Quality Management".

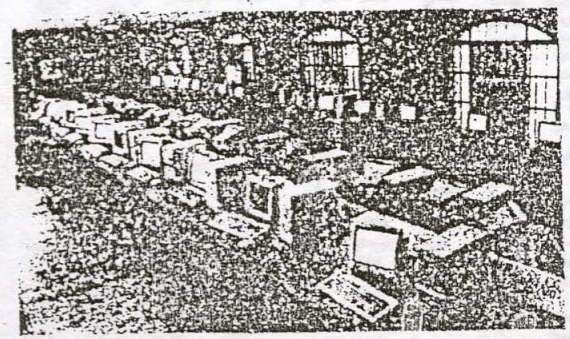
Aces' has been involved in professional and corporate 'computer training since 1990. These courses are being conducted both in its own training centers and also in collaboration with YMCA in major cities of Eastern India. It has successfully conducted modules involving IT training in Travel Management by Trade Wings Institute of Management since 1995. In house corporate training courses have also been conducted for personnel of KTPP, OCL, East India Hotel Limited and various other business houses.

The company has played a pioneering role in bringing computers to school classrooms. Since its inception in 1985, Aces has imparted training to several thousand students at various levels of education in over 400 schools all over the country.

Thus, Aces is specially geared in developing computer awareness, evolving a scheme of computer aided learning or instruction at the school level, which also includes preparing students for various boards like the ICSE, ISC and CBSE level examinations. Aces has also undertaken a 'Computer Literacy Program' at various state boards as a co-curricular subject, including the prestigious "SCOPE" project with the Government of Orissa and the "CLASS" project with the Government of Delhi, West Bengal, Sikkim and Central Tibetan Schools Administration.

The Founder and Chairman and Managing Director of Aces, S Auddy has been closely associated in developing syllabi for various board level examinations in Computer Studies or Science. He has authored a number of books in the subject as well.

The ACES' school division



services provide for the installation of hardware, deputing of computer faculty, supplying necessary software, automation of school accounts and administration, maintenance of hardware and supply of computer consumables.

Moreover, from the academic session 1994-95, Aces has been entrusted with the Computer consultancy of the English and Vernacular Medium schools in the aegis of Rourkela Steel Plant (RSP, SAIL). Aces has also been designated as the sole consultant for Computer consultancy of schools in the aegis of Bokaro Steel Plant (BSL, SAIL) and Bhilai Steel Plant (BSP, SAIL) from the academic session 1996-97. Similar consultancy services have now been extended to the Secondary as well as Senior Secondary schools in the aegis of the Indian Iron & Steel Co. Ltd. (IISCO), Burnpur, BALCO (Korba), KTPP, South Eastern Railway schools and Kendriya Vidyalaya Sangathan (KVS).

Aces has also been associated with data processing works primarily with the SCERT unit of West Bengal, Department of Education, West Bengal, Calcutta State Transport Corporation and Rashtriya Yuva Utsava held in Calcutta in January 1996.

Aces has acquired the following accreditation and memberships:

i) Accredited by the DOEACC Society, Government of India, for conducting "O" Level Courses
ii) Membership of NASSCOM (National Association for Software and Service Companies)
iii) Institutional Membership of CSI (Computer Society of India).

From June 1998, Aces Infotech has diversified into the ever-widening field of publishing and printing, with a well-equipped technical backup of the latest technologies and equipment. Aces' has already published CLASS project texts for the revised as well as the pre-revised schemes as per the syllabi prescribed by the MHRD.

Aces Infotech has also taken up the dealership and distributorship of VINTRON, HCL Frontline Systems, promoting their latest range of PC-AT s. Apart from this, they have also taken the dealership of TVSE to sell their entire range of printers, keyboards and UPS'. Moreover, it also has strategic tie-ups with Seagate, Microtek. Aces' has recently taken up the dealership of Ingram Micro India and also deals with HP, COMPAQ, EPSON, IBM and US Robotics Computer Systems and peripherals.

Aces has now been involved in the comprehensive maintenance and up gradation of PC-AT s, printers, networking and other computer peripherals and has specialized engineers to repair monitors, printers, drives and mother boards. They are more than apt in delivering an excellent service with a high degree of precision and promptness.

The long client list of the company is a virtual who's who of the corporate world. Bhilai Steel Plant, Bokaro Steel Plant, Department of Atomic Energy-Government of India, Indian Oil Corporation, Garden Reach Ship Builders, Dey's Medical, Hydro Carbons & Chemicals etc are among a few. ■

Computers

KMC will introduce computer education in 150 KMC schools after the puja vacations this year. A total of 300 computers will be installed in these schools. KMC has entered into an agreement with ACES Infotech Private Limited in this regard and will pay Rs 10 by way of tuition fee to the company, M-MIC Mr Haque Chowdhury said.

CM inaugurates computer course prog

Staff reporter

Aizawl Nov 25: Chief minister Zoramthanga today inaugurated the computer education course for middle schools under the Sarva Shiksa Abhyan at Vanapa Hall.

Inaugurating the programme, the chief minister, who is also the president of the state governing body of the SSA Rajya Mission, said the programme would become more and more useful in the future as the world is now in the computer age. He said giving computer education from the middle schools would be of great help to the students who will rely more and more on computers in their later years.

"I have high aspirations that with this course, Mizo children will in the future take the lead role in coming up with better computer softwares and computers themselves," Zoramthanga said.

Also speaking at the function was education minister Dr R. Lalthangliana who again repeated the state's aim of becoming the most literate state by the end of 2005. He said efforts are underway to achieve this by concentrating on the four most backward districts of the state.

The main objective of the computer course is to make as many students of middle schools computer literate as well as the teachers at the same time.

The programme aims at giving computer education to 20,000 students and 2400 teachers each year in the state.

Agreement For Computer Edn. Signed

PORT BLAIR, FEB 26.

The Directorate of Education, A&N Administration has entered into a Contract Agreement with M/s ACES Infotech Ltd., Kolkata for providing Computer Education in 8 schools of A&N Islands under Group "B".

The agreement was signed today by Shri. Rajiv Kale, Director of Education on behalf of the A&N Administration and Shri. Subhashish Addy, Chairman & Managing Director, on behalf of the ACES Infotech Ltd., Kolkata.

The firm will impart computer education within 45 days of signing of contract to the schools of A&N Administration i.e. SSS Girls, SSS Mohanpura, SS Haddo (Tamil), SSS Bambooflat, SSS Bakultala, SSS Diglipur, SSS Hut Bay and SSS Campbell Bay.

To Whom It May Concern

This is to certify that M/S ACES Infotech Calcutta have been implementing the centrally sponsored CLASS programme in 13 schools in Sikkim.

They have engaged a team of dedicated young professionals who have been well trained and serving in various schools under a well-conceived process for quality assurance. They have also demonstrated considerable flexibility in adapting their training to the needs of the Institutions and on many occasions much beyond the provisions of the agreement.

Wishing them the very best in terms of professional build up and organisational development from strength to strength.

To Whom It May Concern:

This is to certify that our organization (Bhilai Steel Plant) has signed an agreement in form of Annual Maintenance Contract (AMC) with Academy of Computer Education and Studies (ACES) Infotech Pvt. Ltd., Calcutta, from 01.06.1999, for a period of one year.

The contract commenced on June 1999 and we are very impressed by the sincerity and competence of the Chairman & Managing Director, Mr. Subasish Addy and are satisfied by the Service Executives, during the contractual period.

For this, I am happy to say that we have signed another agreement which will be commencing on 01.01.2000 for further one year. In the second phase of the agreement ACES will be covering more than 750 (seven hundred fifty) PCs & Printers located at different places (i.e. inside the plant, mines, hospital, training institute etc.).

I have no hesitation in recommending Mr. Addy and his Organization.

I wish ACES all success in his future ventures.

TO WHOM IT MAY CONCERN

It is a great pleasure to certify that Academy of Computer Education and Studies, Calcutta has taken up the teaching of computer science in this school from the session 1994-95.

We are fully satisfied with their teaching , management and maintenance of computer hardwares. The result of the subject, in the Council examination for classes X and XII for the year 1995 was excellent.

ACES has maintained an excellent rapport with the school administration and rendered all possible help as and when needed.

MESSAGE

" I am glad to know that the Academy of Computer Education and Studies is bringing out a booklet on the occasion of the Inter School Computer Science contest at Calcutta.

The process of computerization has brought about significant changes not only in reducing the time taken for doing a job but also reducing considerably the file work. Computer education, therefore, will need to be imparted to school children on a mass scale. I am sure the Academy will continue with its bold initiatives in this field.

My best wishes."

Sir/Madam,

It is in continuation of this office order No.2-17/99-NVS(EDP) dated 29-05-2001 vide which Principals of JNVs have been permitted to consider following companies short-listed by Ed.CIL in case of difficulties in making local arrangements to appoint computer faculty:-

Sl. No.	Company	JNVs located in following States	Cost
1)	ACES Infotech Pvt Ltd., ACES House, 11C Dover Lane, **Kolkata** – 700029 Tel: 4758010/4775379 Fax: 4756335	MP, Orissa, Andhra Pradesh, Karnataka, Kerala, Pondicherry, A&N Island, Lakshadweep, UP, Bihar, Meghalaya, Manipur, Mizoram, Arunachal Pradesh, Nagaland, Tripura, Sikkim, Assam.	Rs.71,999/- per annum per Vidyalaya.
2)	Computer Clinic India Pvt. Ltd., 301-A, Sagar Complex, New Rajdhani Enclave, Vikas Marg, **New Delhi**-92 Tel: 2468888, 2205967 Fax: 2225974	Rajasthan, Haryana, Delhi, Maharashtra, Gujarat, Goa, Daman & Diu, Dadra & Nagar Haveli, Punjab, Himachal Pradesh, J&K, Chandigarh	Rs.76,380/- per annum per Vidyalaya.

It has been brought to the notice of NVS that M/s. Computer Clinic India Pvt. Ltd. has not shown interest in providing this faculty for the JNVs located in the States allotted to them.

The Principals are, therefore, permitted to consider M/s. ACES Infotech Pvt. Ltd., and also for the faculty for States allotted to M/s. Computer Clinic Pvt. Ltd at Rs.71,999/- per annum per Vidyalaya for a period of 10 months in a year. Other conditions remaining the same for the ensuing academic year also.

It issues with the permission of the competent authority.

Yours faithfully,

(Dr. U.C.BAJPAI)

Subject : Implementation of Computer Education Programme in 321 JNVs – regarding

Sir,

This is regarding appointment of Faculty-cum-System Administrator in JNVs.and supply of computer stationery to JNVs. It has been decided that the Faculty-cum-System Administrator in JNVs will be appointed by Principals concerned and instructions regarding remuneration, qualifications, contract period have been issued vide Samiti's letter dated 2nd February, 2001. However, it is apprehended that Principals concerned may find it difficult to get qualified personnel at stipulated remuneration due to location of JNVs in remote areas. Meanwhile it is to inform that Ed.CIL had advertised for fixing a common agency to provide the services of Faculty-cum-System Administrator, stationery and maintenance of hardware. Therefore, Principals are advised to consider the following companies which were short-listed by Ed.CIL through open tender in case of difficulties in making local arrangements.

Sl.No.	Company	JNVs located in following States	Cost
1.	ACES Infotech Pvt. Ltd., ACES House, 11C Dover Lane, Calcutta-700029 Tel.4758017/4745379 Fax-4756335	MP, Orissa, Andhra Pradesh, Karnataka, Kerala, Pondicherry, A&N Island, Lakshadweep, UP, Bihar, Meghalaya, Manipur, Mizoram, Arunachal Pradesh, Nagaland, Tripura, Sikkim, Assam	Rs.71,999 per annum per Vidyalaya
2.	Computer Clinic India Pvt Ltd., 301-A, Sagar Complex, New Rajdhani Enclave, Vikas Marg, New Delhi-110092 Tel.2468888, 2205967 Fax-2225974	Rajasthan, Haryana, Delhi, Maharashtra, Gujarat, Goa, Daman & Diu, Dadra & Nagar Haveli, Punjab, Himachal Pradesh, J&K, chandigarh	Rs.76,380 per annum per Vidyalaya

The company may provide one qualified Faculty-cum-System Administrator for a period of 10 months in a year, as per qualifications prescribed by the Samiti, and following stationery per annum at the above mentioned cost :

Sl.No.	Item	Details
1.	Ribbon for DMP	20 Nos.
2.	MAXELL (High density) 1.44 Floppies	40 boxes each of 10 floppies
3.	Computer Sheets of 80 GSM for 132 col	20 reams each of 1000 sheets

Both the above companies were also prepared to take up the hardware maintenance after the warranty period at a cost of Rs.18,755 per annum per JNV besides agreeing to pay penalty on account of failure to provide agreed services of faculty and maintainance.

Accordingly, Principals are advised either to consider the above firms after following codal formalities and entering into proper agreement to avail the services or make necessary local arrangement. However, Principals may please be directed to ensure quality services in any case without loss of time.

Yours faithfully,

(DR. U.C. BAJPAI)
DY. DIRECTOR (ACAD.)

CALCUTTA-700 029

Dear Mr. Addy,

This has reference to your letter No. ACES/EDCIL/Y2K070303 dated 3rd July, 2000. As discussed, presently 20 KV schools (list enclosed) require computer faculty for a period of 10 months with immediate effect. The faculty provider would be given an amount of Rs. 5,400/- per month. You are requested to confirm availability of 20 faculty members for the concerned KV schools on an URGENT basis. The faculty would be required to provide computer training to various classes of the concerned KV as per the prescribed curricula and shall attend the school as per the regular school hours.

An advance of 50% of the contract value per school would be released to you against a bank guarantee of equivalent amount and confirmation of joining of the faculty by the concerned School Principal.

Looking forward to your early reply.

With best regards,

Yours sincerely,

(S. Ghosh)

TO WHOM IT MAY CONCERN

This is to certify that Mr. Subhashish Addy, Director of "The Academy of Computer Education and Studies" is conducting Computer Courses in our School since August 1989 in the following disciplines.

1. Computer Awareness Programme for Classes V - VIII.
2. Computer Studies according to I.C.S.E. syllabus for Classes IX & X.
3. Computer Science Course for Classes XI & XII according to I.S.C. syllabus.

We have been satisfied with the services of the staff provided by the organisation, and with the competence and sincerity of its Director Mr. Addy.

I can, with confidence, recommend Mr. Addy and his organisation ACES for organising and conducting Computer Courses at the School level.

TO WHOM IT MAY CONCERN

This is to certify that The Academy of Computer Education and Studies (ACES) has been conducting computer courses in St. Thomas' Girls' School, since September 1988. In the current academic session, ACES has been conducting courses in:

1. Computer awareness for the middle school (classes V to VIII)
2. EDP Fundamentals and BASIC programming for classes IX and X.
3. EDP Fundamentals and advanced BASIC programming for classes XI and XII.

ACES is responsible for teaching the subject, Computer Science, in the plus two stage.

In the next academic year (1989-90) the above mentioned courses are being repeated; further the ICSE (Year-10) Computer Studies for classes IX and X will be introduced.

I am pleased with the work that is being done by the organisatio under the able director, Mr. Subhashish Addy. Mr. Addy takes a personal interest and is sincerely interested in giving the best not only to this project, but also to the students. Mr. Addy has also developed scientific and commercial software material and is capable of helping in developing software dealing with schools, administrative and commercial problems. We may use his help in this area in the near future.

I whole heartedly recommend Mr. Subhashish Addy and his organisation The ACES for organising and conducting computer courses at the school level.

I wish him all success in his future ventures.

Date 21-5-1998

TO WHOM IT MAY CONCERN

This is to certify that Academy of Computer Education and Studies has been conducting Computer Courses for Classes III to X in this institution since June 1995. The organisation also undertook the task of conducting outreach Computer Programmes to the underprivileged young girls of our locality, which were executed, with competence and sincerity.

The school was fully satisfied with the classes conducted, the follow up procedures, and the maintenance system of ACES.

The results of our students appearing for the ICSE Examination have been extremely satisfactory in the past three years.

We thank the organisation for their excellent service to our institution during their three years contract with us; with a very special word of appreciation of and gratitude to Mr. Addy for his dedicated, efficient and highly effective work over the entire period of contract.

With confidence we recommend Mr. Addy and his organisation to other schools as well.

Subject: Computer Literacy Excellence Awards for Schools - reg.

Sir,

Reference your Letter No. 102/Addl. Director dated 28.11.2001 forwarding the nomination(s) of schools for *"Computer Literacy Excellence Awards"*. In this connection I am directed to inform you that the State level award has been awarded to Tashi Namgyal Academy, Gangtok.

2. The cash award of Rs. 1.00 lakh together with a Silver Trophy will be handed over to the representative of the school by the Hon'ble President of India at an award distribution function scheduled to be held on 29th August 2002 at Vigyan Bhavan, New Delhi from 5 PM onwards.

3. You are requested to kindly intimate the concerned school. The school has to make their own arrangements for coming to Delhi for collecting the award. No TA/DA, boarding or lodging will be admissible from the government in this respect. As the Hon'ble President of India is the Chief Guest for the function, the security arrangements require that the name(s) of the persons coming to attend the function be intimated well in advance to this Office. The serialized non-transferable invitation cards will thereafter be sent in the name of the respective person(s) for attending the function. There is no restriction on the number of persons coming to attend the function but only one representative would be allowed to receive the award from the Hon'ble President.

4. The winners of the National Award would be announced in the function.

Contd.....

5. Further I take this opportunity to invite you for the function. Kindly send your confirmation to enable this Office to send you the serialized & non-transferable invitation card. It would be appreciated if the confirmation is sent by August 9, 2002 to enable this Office to dispatch the invitation cards. The confirmation may please be faxed on Telefax No. 4361586 or e-mailed to seshadri@nic.gov.in.

6. It is once again reiterated that as per the security requirements nobody would be permitted to enter the hall without the invitation card.

Yours faithfully,

(Dr. T K Seshadri)
Senior Director

CERTIFICATE

We are glad to certify that The Academy of Computer Education and Studies (ACES) has been responsible for computer education at Faith Academy since July, 1988.

The course design is:

1. Computer Concepts, Hardware Principles, Advanced Basic for Classes IX & X.
2. Computer Concepts, Basic for Classes IX & X.
3. Computer awareness, Elementary Programming in Basic, for Classes VI to VIII.

During the Academic year 1989-90 the ACES has taken up the task of teaching computer as a regular subject to the Senior Secondary Classes. They are also planning to [illegible] to prepare the students for Computer Engineering/Medical/IIT Entrance exams.

The ACES has successfully developed software on Payroll and Fees handling for the School Office. During this financial year they are developing and developing software for P.F. and Financial accounting.

The hardware/equipment provided by ACES are good and they maintain the equipment well.

Mr. Subhabrish Addy, the Director has taken a keen and personal interest in the affairs of academics and software development at Faith Academy. He is co-operative, sincere and competent to provide the right type of computer education to School students. Besides, he has written books on computer education which are very useful to the students.

Our general experience is that the ACES is an organisation worth considering to introduce computer education in Schools.

SOFTWARE FOR SCHOOL AUTOMATION

I. FINANCIAL ACCOUNTING SYSTEM

Deals with the financial accounting of educational institutions efficiently. It takes care of various books of accounts systematically and accurately.

UTILITY

- # PREPARATION OF VOUCHERS
- # PREPARATION OF LEDGERS
- # PREPARATION OF CASH BOOK
- # PREPARATION OF PETTY CASH VOUCHERS
- # PREPARATION OF TRIAL BALANCE
- # PREPARATION OF PROFIT & LOSS ACCOUNT
- # PREPARATION OF BALANCE SHEET

I I. PAYROLL SYSTEM

Deals with the salary drawn by the School Employees for various months. It takes care of Provident Fund accumulations , Professional Tax , Income Tax deductions , DA , HRA , Medical benefits and other relevant details.

UTILITY

- # MONTHLY PAY-SLIP GENERATION
- # YEARLY PROVIDENT FUND STATEMENTS
- # YEARLY PROFESSIONAL TAX STATEMENTS

III. FEES HANDLING SYSTEM

Deals with the collection of school fees for each student. It takes care of Tution Fee, Admission Fee, Caution Money, Library Fee, Laboratory Fee, Development Fee, Late Fee and other miscellaneous collections.

UTILITY

DAILY COLLECTION SHEETS

MONTHLY COLLECTION SHEETS

DEFAULTER LIST

FEE FORMS GENERATION

IV. PROGRESS REPORT GENERATION

Deals with the progress report generation of each student. It takes care of the rank obtained by the student in the class, the highest mark obtained in each paper etc.

UTILITY

REPORT GENERATION FOR EACH TERM

V. LIBRARY INFORMATION SYSTEM

Deals with the management of library for the school. It takes care of total no. of books in the library, updation of new books, the record of books issued, the date of expiry of issue of book, calculation of fine etc.

UTILITY

GENERATES LIST OF TOTAL NO. OF BOOKS

GENERATES THE LIST OF BOOKS ISSUED

GENERATES THE FINE LIST

VI. TIMETABLE MANAGEMENT

Deals with the management and scheduling of the School Time Table. It schedules the teachers against their respective classes. It also takes care of the substitutes for the teacher for a particular period.

UTILITY

PRINT THE TIME TABLE OF TEACHERS AS AND WHEN NECESSARY

PRINTS THE DAILY SUBSTITUTION TIME TABLE OF TEACHERS

VII. STUDENTS BIO-DATA BANK

Deals with each student's details such as Name, Parents Name, Address, Conduct, Academic Performance, Extra Curricular Activities, Hobbies, Blood Group etc.

UTILITY

TO RETRIEVE ANY TYPE OF INFORMATION REQUIRED BY THE SCHOOL AT ANY TIME

PREPARATION OF CONDUCT CERTIFICATE DURING TRANSFER OR SCHOOL LEAVING

VIII. STUDENTS QUESTION BANK

Deals with the subject wise question of each class.

UTILITY

TO CREATE A QUESTION BANK THROUGH THE HELP OF RESPECTIVE SUBJECT TEACHERS, CLASS WISE WITH PROVISION OF ADDITION, MODIFICATION, PRINTING ETC.

TO WHOM IT MAY CONCERN

This is to state that the syllabus for conducting the Computer Education Programme in the aegis of the Sarva Shikshya Mission, SSA Mission Mizoram, in the State of Mizoram, has been prepared and implemented by ACES Infotech (P) Ltd, Kolkata.

We are very much satisfied with the curriculum developed and the methodology of implementation of computer education by ACES Infotech (P) Ltd.

Foreword

Information Technology is today poised to revolutionise the paradigm of interactions and productivity. Over the past two decades it has cultivated a base position on which the capability platforms of empowerment in the 3rd millennium are being structured. It is inevitable that I.T. based learning transactions form the core element of schooling practices.

The Computer Horizons Books V to VIII, have incorporated transactions that enable capabilities to be developed on a broad based platform so as to generate necessary competencies.

The approach to the learning of basic skills required to handle computers and generate capabilities to use them effectively, have been well conceived and graded sequentially so as to make the development of skills a gradual process.

Sub: Computer Education Program in JNVs.

Dear Shri Addy,

This has reference to my telephonic conversation with you today. We have been asked by the Navodaya Vidyalaya Samiti (NVS) to design and supply text-books for Computer Education Program to NVS as per the curriculum developed by the Samiti. Ed.CIL would like ACES Infotech to associate with Ed.CIL in this endeavor. The curriculum developed by the Samiti is enclosed. The text-books for each of the classes are to be developed based on the given curriculum only. The work is to be completed within the time frame of 30 days. If you are willing to associate with Ed.CIL, you may kindly indicate your fee for carrying out this work.

I look forward to hearing from you.

With kind regards,

Yours sincerely,

(C. Vijayakumar)

Shri S. Addy,

August 2, 2000

Mr. S. Addy
Chairman & Managing Director,
ACES Infotech Pvt. Ltd.,
11-C, Dover Lane,
CALCUTTA-700 029

Dear Mr. Addy,

As you are aware, Ed.CIL has been awarded a job by the Navodaya Vidyalaya Samiti on preparation of course materials for the Jawahar Navodaya Schools from Class VI to Class XI. In this regard, Ed.CIL has constituted a Core Committee of Subject Experts. You are requested to serve the Committee as one of the Experts. M/s. ACES would be required to prepare the draft course materials (one book for each class), which would be then discussed in a Workshop and finalized.

M/s. ACES would be required to submit the course material in hard & soft copies, complete in all respects including English editing. M/s. ACES would also be required to finalize the material as per the inputs received during the Workshop, which is scheduled to be held on 25th August, 2000 in Delhi. A copy of the detailed class-wise curricula is hereby enclosed. The course materials must be prepared strictly in accordance with the prescribed curricula.

For the services of M/s. ACES, Ed.CIL would pay a consolidated fee of Rs. 2.00 lakhs. M/s. ACES would also be paid a lump sum amount of Rs. 75,000/- towards TA/DA for visits of its officials and Rs. 25,000/- towards consumables and contingencies. The course material must be submitted to Ed.CIL latest by 20th August, 2000. You are requested to confirm the acceptance of the offer by return fax.

Looking forward to your early reply.

With best regards,

Yours sincerely,

(Anurag Mittal)

02/08/2000
Mr. Anurag Mittal,
I am in receipt of your fax message.
I am behalf of Shri S. Addy, CMD, ACES Infotech Pvt. Ltd. would like to confirm the acceptance of your offer.
Thanks. With regards
Anita Addy

SYLLABUS / LEARNING OBJECTIVES

CLASS I - II

Objectives and guidelines : Learning made easy with computers.

Details

Learning computers in the form of a story telling and drawing pictures .

Learning the various positions of the alphabets and numbers on the keyboard.

Learning of words, sentences and their spelling correction with the help of software packages.

An introduction to the children to a software package called LOGO (a software for children, developed By Seymour Papert, U.S.A.)

Introduction to Windows.

LEARNING THE FOLLOWING WITH THE HELP

Various directions : North, South, East, West .

Various shapes and figures : Square, Rectangle, Triangle, Circle etc.

Practice of simple diagrams and learning sums .

Printing of simple texts .

WORKING IN WINDOWS ENVIRONMENT

Definition of Windows .
How we will start & close Windows.
Use of Mouse & Keyboard in Windows
Introduction to Paintbrush
Working with Tools:
LINE, ERASER, PENCIL, FILL WITH COLOUR

Suggested Text Book : : 1. Computer Horizons Book 1 by S. Addy.
Publisher : ACES Infotech Private Limited.

2. Computer Horizons Book 2 by S. Addy.
Publisher : ACES Infotech Private Limited.

3. Computers in Classrooms - Book 1 by S. Addy

4. Computers in Classrooms - Book 2 by S. Addy

Publishers: Galgotia Booksource Pvt. Ltd.

CLASS III - IV

Objectives and guidelines : Initial ideas regarding a computer and knowing its keyboard . Introduction to LOGO AND BASIC .
Working with Paintbrush and Calculator.

Details

1. Meeting the Computer :

Monitor, CPU, Keyboard, Keys .

2. Talking to the Computer :

Computer programming and computer logic .

3. Visit to the Logo land :

Meeting the Turtle, Logo primitives - forward, backward, right turn, left turn, clear screen .

4. Inside the Computer :

Computer's Memory, RAM and ROM .

5. Few things about the Computer family :

Organisation, Types of Computers, Printer, Floppy .

6. "B" for Basic :

Line numbers, Commands - NEW, PRINT, END, RUN, LIST .

7. Working In Windows Environment

8. Working with Paintbrush :

Definition of Paintbrush , Tools of Paintbrush – 1. Pencil 2.Eraser 3.Line 4.Text 5. Curve 6. Rectangle 7. Polygon 8. Brush 9. Airbrush 10. Rounded Rectangle 11.Fill with Colour 12. Select 13.Pick tool.

9. Working with Spread sheet

Suggested Text Book : 1. Computer Horizons Book 3 by S. Addy.
Publisher : ACES Infotech Private Limited.

2. Computer Horizons Book 4 by S. Addy.
Publisher : ACES Infotech Private Limited.

3. Beginning with Computers Book O by S. Addy

4. Computers in Classrooms-Book 3 by S. Addy

5. Computers in Classrooms-Book 4 by S. Addy

Publishers: Galgotia Booksource Pvt. Ltd.

CLASS V

Objectives and guidelines : Auxiliary storage devices such as data recorders and floppy drives, demonstration software in Mathematics and Graphics, elementary knowledge of Electronic Data Processing i.e. what exactly is a computer and programming commands . More of LOGO, Difference between DOS & WINDOWS.

Details

1. **Computers Fundamentals :**
   How computers developed, Computers are here to stay .
   Keyboard , Central Processing Unit, Memory, The Silicon chip .
   Receiving the results , Telling a computer what to do, The computer's "Brain" , Computers everywhere .

2. **Introduction to LOGO :**
   Primitive, Forward, Backward, Draw, CS, Right, Left, Pen down, Pen up, Pen erase, Hide turtle, Show turtle .

3. **More on BASIC:**
   LIST,NEW,AUTO,RUN,CLS,DELETE,END,REM, Concept on variable – Numeric and String , Input ,Let, Print Statement.

4. **WINDOWS Operating System:**
   About operating system, Difference between DOS & WINDOWS, Icons of WINDOWS, Use of the Icons, Buttons in Windows, Programme and Applications.

5. **Paint Brush, Word Pad & Calculator :**
   Paintbrush-File Menu (New, Open, Save, Print, Print preview, Page setup).Definition and use of Note pad (File Menu– 1.New,2.Open, 3.Pagesetup, 4.Print, 5.Exit) Control Menu – 1.Maximize 2.Minimize 3.Close Button
   Definition of Calculator and How to use calculator

6. **Familiarizing with Internet**

NOTE :
A correlation should be built between the academic exercises done in the regular classes and the programs developed in the Computer classes.

Suggested Text Books : 1. Computer Horizons Book 5 by S. Addy.
Publisher : ACES Infotech Private Limited.

2. Beginning with Computers - Book I by S. Addy.
Publisher : Galgotia Booksource Pvt. Ltd.

3. Computers in Classrooms - Book 5 by S. Addy.
Publisher : Galgotia Booksource Pvt. Ltd.

CLASS VI

Objectives and Guidelines : Revision of the work done in the previous class. Computer Aided Learning through Basic & Logo. Concepts of Electronic Data Processing . Introduction to programming techniques in Basic, Computer games, Software demonstration.

Details

1. Binary Number System :

Binary Digits, Counting and Calculating, Binary Conversion, Binary Addition.

2. Advanced Features of Logo :

Arithmetic & logical operation - Print , Round , Square root, using brackets, commas, logical operators. Adding & separating words & sentences, sorting , erasing, recalling pots & pops.

3. Programming with Basic :

Using PRINT, LET, INPUT, READ..DATA, GOTO, REM, Working on a Microcomputer, Programming in BASIC

4. Windows Operating System:

Features, Exploring Windows, Creating File and Folder, Using Windows Explorer.

5. Paintbrush, Calculator & Note Pad :

Paintbrush – Edit Menu (Select, Undo, Cut, Copy, Paste).
Paintbrush – Image Menu – Flip/Rotate.
Calculator – Square root, percentage (%)
Notepad – Edit Menu (Select, Undo, Cut, Copy, Paste).

6. Word Processing through MS-WORD

Creating /Opening/Saving/Closing a document.
Font Style justification, Inserting a picture in a document.

NOTE : This course will act as a "follow-up" course for that of Class V. A correlation should be built up between the academic exercises done in the regular classes and the programs developed in the computer classes .

Suggested Text Books : 1. Computer Horizons Book 6 by S. Addy.
Publisher : ACES Infotech Private Limited.

2. Beginning with Computers - Book I by S. Addy.
Publisher : Galgotia Booksource Pvt. Ltd.

3. Computers in Classrooms - Book 6 by S. Addy.
Publisher : Galgotia Booksource Pvt. Ltd.

CLASS VII

Objectives and Guidelines : Revision of the work done in the previous class, computer awareness. Flow - charting, elementary programming in BASIC. Academic exercises through the computer. Computer games and demonstration of software packages.

DETAILS

1. **Computer Concepts :**

   Data / Information, Electronic Data Processing, Computer Definition, Hardware/software, Historical Developments. Computer generations, Computer classification .

2. **Working with DOS :**

   Definitions, Activities of MS – DOS, Commands.

3. **Introduction to HTML :**
   Definition, Text Editor, Web Browser, Creating, Editing, Applications, How to create a link?

4. **Windows Operating System:**
   Definitions, Features of Windows XP, Using Control Panel, Editing and Searching in Windows XP Environment.

5. **Word Processing:**
   Edit Menu – Select , Copy , Cut, Paste, Delete
   Insert Menu – Date and Time , Symbol , Auto Text, Mail Marge.

6. **Working with Spread Sheet:**
   Cell , Cell Address, Calculation with the help of Formula, Editing and modification of Cells

7. **Introduction To Power Point:**
   Creating a Slide through Blank Presentation
   File – New, Open ,Save, Close
   Edit – Select , Copy , Cut , Paste
   Format – Apply Design Template.
   View – Slide , Slide Sorter

8. Internet and E-mail:
   Concept of Networking, Protocol, WWW, Browser, Network Connection, Downloading, Working concept of E-mail.

NOTE : A correlation should be built up between the academic exercises done in the regular classes and the programs developed in the computer classes.

Suggested Text Books : **1. Computer Horizons Book 7 by S. Addy.**
Publisher : ACES Infotech Private Limited.

2. Beginning with Computers - Book II by S. Addy.
Publisher : Galgotia Booksource Pvt. Ltd.

3. Computers in Classrooms - Book 7 by S. Addy.
Publisher : Galgotia Booksource Pvt. Ltd.

CLASS VIII

Objectives and guidelines : Revision of the work done in the previous class. Concepts of Electronic Data Processing. Introduction to the concepts of looping in programming. Academic exercises through the Computer Aided Learning Packages.

DETAILS

1. Computer Fundamentals :
Memory structure, Input / Output media & devices, Number systems & codes, Introduction to software.

2. Algorithms and Flow Chart :
Introduction, Symbols used in Flow Chart.

3. Java Programming with BlueJ :
Concepts, Basic Features, Compiler and Interpreter, How to Install, Data Types, Operators, Type Conversion.

4. MS WORD
Format Menu – Bullets and Numbering, Border and Shading, Drop Cap

5. MS EXCEL
Function – 1. Sum 2. Max 3.Min 4. Average 5. Now 6. Count 7.If

6. Learning Database through Access:
Introduction to DBMS, Tables, Forms, Working concept of ACCESS, Creating Table, Editing, Primary Key, Creating Form, Searching, Sorting.

Exposure to :
Electronic Spreadsheet, Database, Operating System, Wordstar and graphics.

Note : This course will act as a "follow-up" course for that of Class VII. A correlation should be built up between the academic exercises done in the regular classes and the programs developed in the computer classes.

Suggested Text Books : **1. Computer Horizons Book 8 by S. Addy.**
Publisher : ACES Infotech Private Limited.

2. Beginning with Computers - Book II by S. Addy.
Publisher : Galgotia Booksource Pvt. Ltd.

3. Computers in Classrooms - Book 8 by S. Addy.
Publisher : Galgotia Booksource Pvt. Ltd.

CLASS IX

DETAILS

1. History of Computers :

Origin of calculations, Abacus, Napier's Bones , Slide Rule, Pascal's Arithmetic Mechine, Leibintz Machine, Stepped Reckoner, Babbage's Analytical Engine .

2. Binary State and Elementary Boolean :

Binary concept, Binary System, Binary Arithmetic. Method of Complimentation and De Morgan's Theorems .

3. Structure of the Computer :

Detailed study with examples of the following :
i. Input devices ii. Central Processing Unit iii. Output devices iv. Mass storage unit.

4. Programming in Basic :

Constants and Variables, Flowcharting , Using LET, PRINT, LIST, INPUT, READ, DATA , RESTORE, RUN, CLS, DELETE, GOTO, IF-THEN-ELSE, ON GOTO and related flowcharts.
Expressions in Basic : i. Arithmetic operation ii. Hierarchy of operations iii. Rules Of Arithmetic operators iv. Evaluation of Expressions
v. Refinements in programming vi. Logical expressions vii. Library functions viii. User defined functions.
Printer controls : Comma control, Semi colon control, Tab control .

5. Advanced MS-WORD

Insert Table , Insert formula in a Table ,Sort on Primary ,Secondary Key, and Tersiary Key, Header and Footer.
Mail Merge
Macro

6. Advanced MS-EXCEL

Insert Chart – (Column ,Bar, Line, Pie)
Format Cell (Number, Date, Time)
Goal Seek

7. Internet :

What are networks and their different types. What is internet. How we can use it. Why do we use networks.

Suggested Text Books : 1. Computer Studies for Secondary Schools by S. Addy.

2. Introduction to Popular Software Packages by S. Addy.

Publisher : Galgotia Booksource Pvt. Ltd.

CLASS X

DETAILS

1. Detailed programming in Basic :

i. Looping through FOR - NEXT statement ii. Using subroutine through GO SUB RETURN iii. Arrays , Dimensions , ASCII Code, ASC Functions.

2. Computer Logic :

Boolean Algebra : or Addition, And multiplication, NOT operation, XOR Gate De Morgan's Theorem, NAND Gate, NOR Gate, Application of logic gates.

3. Software and languages :

Hardware and Software, Operating system , Utility program, Application program, Computer languages, Machine languages, Symbolic languages, Idea regarding different high level languages viz. COBOL, PASCAL, FORTRAN languages . Introduction to Dbase III plus and word processing .

4. Data Processing :

Background and objectives, Files and Records, File Creations, File Access, File Manipulation and Maintenance. File Generation, Sequential files in Basic.

Computer Types : Digital, Analog, Hybrid Operation modes, Batch Processing , Time sharing, Real Time sharing, Computer network.

5. Advanced Excel

Filter – 1. Auto 2. Advanced

Sort – 1.Primary 2. Secondary 3. Tersiary

Subtotal

Validation : (Number , Date ,Time , Text Length)

Pivot Table Report

6. Internet :

More on network. Different types of network arrangements. Data communication in networks. What is electronic mail.

Suggested Text Books : 1. Computer Studies for Secondary Schools by S. Addy.

2. Introduction to Popular Software Packages by S. Addy

Publisher : Galgotia Booksource Pvt. Ltd.

CLASS XI - XII

Objectives and guidelines : This syllabus, on the lines of the C.B.S.E./ I.S.C. (Year 12) Computer Science syllabus is to prepare students to sit for a board examination at the end of class 12.

Internet : As per the syllabi prescribed By C.B.S.E. / I.S.C. (year 12) boards.
Details : As per C.B.S.E. / I.S.C. (year 12) syllabus .

Case Studies : Suggested ones :

1. Salesman Problem
2. Electricity Bill Problem
3. Housing Board Allocation Problem
4. Board result tabulation Problem
5. Payroll
6. Inventory Control
7. Fees handling and time table handling in schools etc.

Note : It should be ensured that a pupil gets adequate "Hands On" experience in using a Micro Computer at this stage . A project report based on the case study is to be submitted at the end of class 12 . Additional facilities provided By the Micro computer system in use should be taught .
